MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all

Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their *Ranks* after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,

C. WOOD.

CHARLES WOOD.

Admiralty, 30th September, 1835.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.

Masters.

Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having

previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations:

By command of their Lordships,
JOHN BARROW.

CHAPLAINS.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, August 12th, 1840.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS AND SCHOOLMASTERS. ESTABLISHED BY ORDER IN COUNCIL OF THE 22nd DEC. 1836, AND 10th AUGUST, 1840.

No person will be considered eligible for the situation who is under 20 years of age or more than 35.

Before any person can hereafter receive an appointment as Schoolmaster in a Ship of the Line or Frigate, he will be required to produce a certificate of his age, and testimonials of good character, and to pass an examination as to his qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six, the eleventh and twelfth books of Euclid; their application to the measurement of Planes and Solid Bodies.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, and the various problems in Surveying, the Measurement of Heights and Distances, Navigation, and Nautical Astronomy, particularly the principles on which the various formulæ for

ascertaining the longitude are constructed; and practical astronomy, so far as may be required for determining the latitude and longitude in all cases.

6th. The theory of Projectiles, and its application to Gunnery.

7th. The Classics, to such as enter with some knowledge of Latin and Greek.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, will not at first be required as indispensable qualifications, it is very desirable that Naval Schoolmasters should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

Schoolmasters established by the above-mentioned Orders in Council are to be designated "Naval Instructors and Schoolmasters."

The full Pay of Naval Instructors and Schoolmasters is to be—

Upon their first entry in the Service, 7s. a day.
After Three Years' service on Full Pay, 7s. 6d.
After Seven Years, 8s. 6d.

And Five Pounds a Year for each young Gentleman who shall receive instruction from them; but the Bounty of £80 a Year heretofore allowed is to be discontinued.

After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 3s.
After Ten Years' Service on Full Pay, 4s. 6d.

But no Naval Instructor or Schoolmaster who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors and Schoolmasters.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor and Schoolmaster, he will be entitled to the Bounty of £30 a year, and £5 from each young Gentleman instructed by him, in addition to his pay as Chaplain.

The foregoing rates of Pay and Half-Pay are to commence from the 1st of July last.

By Command of their Lordships,
R. MORRIS O'FERRALL.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructors who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. WOOD.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up

from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer; and the approbation of the senior Officer present.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

By Command of their Lordships,
C. Wood.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships

and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster-books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinbefore made, or directed, to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us

by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

By His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

Although members of these classes may have been admitted formerly, and under a different state of circumstances.

5. Gentlemen who have ceased to belong to Her Majesty's Service, cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to

the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

Downing Street, 1st August, 1838.

INFORMATION RESPECTING THE SALE OF CROWN LANDS IN THE AUSTRALIAN COLONIES.

1. Crown Lands in New South Wales, Van Diemen's Land, and Western Australia, are disposed of only by sale at Public Auction in the Colonies, at an upset price fixed by the Government.

2. A deposit of 10*l.* per cent. on the whole value of the purchase must be paid down at the time of the sale, and the remainder must be paid within one calendar month from the day of sale, previous to which the purchaser will not be put in possession of the land; and in case of payment not being made within the prescribed period, the sale will be considered void and the deposit forfeited. On payment of the money, a grant will be made in fee simple

to the purchaser at the nominal quit rent of a peppercorn.

3. The land will generally be put up to sale in lots of one square mile or 640 acres.

4. Further details relating to the sale of the Crown Lands in the Australian Colonies must be procured at the Office of the Surveyor General in each respective Province.

5. There are no *Crown Lands* in South Australia. Information respecting the sale of Lands in that Province may be procured at the Office of the Colonization Commissioners, No. 6, Adelphi-terrace.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Mate, Midshipman, Master's-Assistant, Naval Instructor and Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be dis-

charged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service, on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, according to the following scale, viz.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood, from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-

one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be retaken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalidated from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the

Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

On a ship being ordered to be paid off, the Captain or Commanding Officer may recommend for the Medal and Gratuity any Petty Officer or Seaman, or Non-Commissioned Officer or Private of Marines (not exceeding in number the proportion of one for every hundred of the Crew) who shall have completed 21 years' service, who shall have behaved himself invariably well in such ship, and who shall be in possession of Certificates of good conduct throughout his former service. By command of their Lordships,

With reference to the 12th Article of His Majesty's Order in Council of the 24th August, 1831, authorizing the Captains and Commanders of His Majesty's ships to recommend certain of the crew for gratuities and medals, under the limitations therein specified; my Lords Commissioners of the Admiralty are pleased to direct that, on a ship being ordered to be paid off, the Captain or Commander of such ship shall immediately transmit to the Commander in Chief, for the purpose of being forwarded to their Lordships' Secretary, a list containing the names of such men as they consider best entitled to the rewards in question, together with lists of the ships in which they have served, in order that the medals may be forwarded to the Captain or Commander of the ship; and their Lordships further direct, that the said medals be presented, by the Captain or Commander, to the men entitled to the same, in the presence of the whole ship's company, the last thing prior to the ship being paid off.

By Command of their Lordships,

GEORGE ELLIOT.

Art. 2.—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

3d Rates	5
4th, 5th, and 6th Rates.....	4
Sloops	1
Cutters, Gun-Brigs, &c.	1

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers

(if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately* made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

MEMORANDUM.

Admiralty, 9th May, 1840.

My Lords Commissioners of the Admiralty are pleased to direct that in future the names of all Mates who shall remain out of the Service for more than one year, without applying for an Appointment, shall be removed from the official Register of Mates and Midshipmen, and they shall be considered as having relinquished the Naval Service; unless my Lords shall be satisfied that the omission proceeded from unavoidable causes.

MEMORANDUM.

Respecting the Rank and Appointment of Mates, as established by Her Majesty's Order in Council, of the 10th August, 1840.

Admiralty, 12th August, 1840.

All Midshipmen who shall have passed such Examination respecting their Qualifications for the appointment of Lieutenant as the Lords Commissioners of the Admiralty may from time to time direct, (if abroad, for Seaman-ship and Navigation, and if at home also at the Royal Naval College), shall be considered eligible to have Warrants or Commissions as Mates in whatever Ship they may be serving; such Warrant or Commission will be given by the Lords Commissioners of the Admiralty, upon the recommendation of the Commanding Officer of the Ship in which the person may be serving, transmitted by the Commander in Chief or Senior Officer on the Station.

During their first three years of actual service as Mates in the Royal Navy they will take Rank with Ensigns in the Army, and after three years' service with Lieutenants in the Army, according to their seniority as Mates, to be computed from the dates of their original Warrants from their respective Captains, under the former regulations in respect to Mates.

Commanders in Chief on Foreign Stations may give Acting Warrants as Mates to such Midshipmen as may pass abroad for Seaman-ship and Navigation, which Warrants will be confirmed from their original dates if approved by their Lordships, provided they pass their examination at the Royal Naval College in two months after their arrival in England; but no person appointed to act as Mate or as Lieutenant is to be sent home from a Foreign Station for the purpose of passing such examination.

MEMORANDUM.

Admiralty, 11th Oct. 1834.

It is the direction of my Lords Commissioners of the Admiralty that in each of His Majesty's Ships, commissioned after the date hereof, bearing in their complements one or more Volunteers of the First Class, only one fresh entry into the Service shall be made; but the remainder shall be selected, where there are more than one, by the respective Captains or Commanding Officers, from Young Gentlemen who have already been in the Service, and submitted for the approbation of their Lordships.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

JOHN BARROW.

REGULATIONS AS TO THE QUALIFICATIONS AND EXAMINATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

FIRST ENGINEER.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

SECOND ENGINEERS must not be inferior in education to the First Engineers, and but little behind in mechanical acquirements, with the exception of the nice points of adjustment of slides, parallels, motions, &c.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine-work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the outlines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*.

Boys of the *Second Class*, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of *Third Class Engineers*, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 20th Dec., 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 2th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive Instruction at the Royal

Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his Instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the Instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the *First Class* who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications;—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1880.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,
J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of His Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their *Ranks after their Signatures* as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,
C. WOOD.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,

Superintendents of the Dock-yards, Victualling and Medical Establishments, or

A Justice of the Peace or Magistrate; and by the Act 6 and 7 William IV. cap. 98, sec. 27, it is further enacted, "That every such Declaration shall and may be made and subscribed before any one or more of His Majesty's Justices of the Peace, or before the resident Minister of the Established Church, in any Parish in England, Scotland, or Ireland, or before any of the Persons appointed to examine Vouchers in the office of the Paymaster General."

Officers residing abroad must make their Declarations before one of His Majesty's Ministers; Secretary of Embassy or Legation, or Consul; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to attest Declarations in such Places; and the Address must be given at the foot of the Signature to the Declaration.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted: and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of His Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.
TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.

Minsters.

Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
 JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resented.

Mates who may apply for the retiring pension of two shillings and a half a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,
 R. MORE O'FERRALL.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly examined Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls; or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent per-

son to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain. CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

Provided always, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and

uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

All former notices on the subject of Officers

settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,

JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN THE AUSTRALIAN COLONIES.

1. Military and Naval Officers cannot receive free grants of land: but, in buying Crown land, they will be allowed a remission of the purchase money, according to the undermentioned scale:

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 25 years' service and upwards, in the whole 300*l*.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 20 years' service and less than 25, in the whole 250*l*.

Lieutenants, Masters, and Surgeons of the Royal Navy, and Captains of Royal Marines, of less than 20 years' service, in the whole 150*l*.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of 20 years' service and upwards, in the whole 150*l*.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of less than 20 years' service, in the whole 100*l*.

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this Rule, and also

Retired Officers of the East India Company's Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges in the acquisition of Crown Land. 5. Gentlemen who have ceased to belong to Her Majesty's Service, cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but *not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that

Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

On payment of the money, a grant will be made in fee simple to the purchaser at the nominal quit rent of a peppercorn.

3. The land will generally be put up to sale in lots of one square mile or 640 acres.

4. Further details relating to the sale of the Crown Lands in the Australian Colonies must be procured at the Office of the Surveyor General in each respective Province.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Mate, Midshipman, Master's-Assistant, Naval Instructor and Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service, on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, according to the following scale, viz.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz. :—

Art. 4.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 5.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 6.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 7.—A Return from every Ship, according to the established form, is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers

(if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,
GEORGE ELLIOT.

MEMORANDUM.

Admiralty, 16th Dec. 1839.

My Lords Commissioners of the Admiralty are pleased to direct that in future the names of all Mates who shall remain out of the Service for more than one year, without applying for an Appointment, shall be removed from the official Register of Mates and Midshipmen, and they shall be considered as having relinquished the Naval Service; unless my Lords shall be satisfied that the omission proceeded from unavoidable causes.

MEMORANDUM.

Respecting the Rank and Appointment of Mates, as established by Her Majesty's Order in Council, of the 10th August, 1840.

Admiralty, 12th August, 1840.

All Midshipmen who shall have passed such Examination respecting their Qualifications for the appointment of Lieutenant as the Lords Commissioners of the Admiralty may from time to time direct, (if abroad, for Seaman-ship and Navigation, and if at home also at the Royal Naval College), shall be considered eligible to have Warrants or Commissions as Mates in whatever Ship they may be serving; such Warrant or Commission will be given by the Lords Commissioners of the Admiralty, upon the recommendation of the Commanding Officer of the Ship in which the person may be serving, transmitted by the Commander in Chief or Senior Officer on the Station.

During their first three years of actual service as Mates in the Royal Navy they will take Rank with Ensigns in the Army, and after three years' service with Lieutenants in the Army, according to their seniority as Mates, to be computed from the dates of their original Warrants from their respective Captains, under the former regulations in respect to Mates.

Commanders in Chief on Foreign Stations may give Acting Warrants as Mates to such Midshipmen as may pass abroad for Seaman-ship and Navigation, which Warrants will be confirmed from their original dates if approved by their Lordships, provided they pass their examination at the Royal Naval College in two months after their arrival in England; but no person appointed to act as Mate or as Lieutenant is to be sent home from a Foreign Station for the purpose of passing such examination.

By command of their Lordships,

JOHN BARROW.

REGULATIONS AS TO THE QUALIFICATIONS AND EXAMINATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

FIRST ENGINEER.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all

its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

SECOND ENGINEERS must not be inferior in education to the First Engineers, and but little behind in mechanical acquirements, with the exception of the nice points of adjustment of slides, parallels, motions, &c.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine-work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the outlines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*.

Boys of the Second Class, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can

be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of Third Class Engineers, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 20th Dec., 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the *Excellent*.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the *Excellent*, and a preference will be given to those who shall have passed the best Examination.

They will receive instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the *Excellent* before they are admitted to the instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the First Class who may hereafter be admitted into Her Majesty's service, shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he

possesses the undermentioned qualifications;—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,
J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their Ranks after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,
C. WOOD.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,

Superintendents of the Dock-yards, Victualling and Medical Establishments, or

A Justice of the Peace or Magistrate; and by the Act 6 and 7 William IV. cap. 98, sec. 27, it is further enacted, "That every such Declaration shall and may be made and subscribed before any one or more of His Majesty's Justices of the Peace, or before the resident Minister of the Established Church, in any Parish in England, Scotland, or Ireland, or before any of the Persons appointed to examine Vouchers in the office of the Paymaster General."

Officers residing abroad must make their Declarations before one of his Majesty's Ministers; Secretary of Embassy or Legation, or Consul; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to attest Declarations in such Places; and the Address must be given at the foot of the Signature to the Declaration.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted; and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

- 1st Class.—Pursers.
Musters.
Surgeons.
- 2d Class.—Lieutenants and Chaplains.
- 3d Class.—Admirals.
Captains.
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be respected.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,
R. MORE O'FERRALL.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent per-

son to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service, the situation of Chaplain. CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, August 12th, 1840.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS AND SCHOOLMASTERS, ESTABLISHED BY ORDER IN COUNCIL OF THE 22nd DEC. 1836, AND 10th AUGUST, 1840.

No person will be considered eligible for the situation who is under 20 years of age or more than 35.

Before any person can hereafter receive an appointment as Schoolmaster in a Ship of the Line or Frigate, he will be required to produce a certificate of his age, and testimonials of good character, and to pass an examination as to his qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six, the eleventh and twelfth books of Euclid; their application to the measurement of Planes and Solid Bodies.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, and the various problems in Surveying, the Measurement of Heights and Distances, Navigation, and Nautical Astronomy, particularly the principles on which the various formulæ for ascertaining the longitude are constructed; and practical astronomy, so far as may be required for determining the latitude and longitude in all cases.

5th. The uses of Mathematical and Nautical Instruments, the Quadrant, Sextant, Compasses, and Chronometers.

6th. The theory of Projectiles, and its application to Gunnery.

7th. The Classics, to such as enter with some knowledge of Latin and Greek.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, will not at first be required as indispensable qualifications, it is very desirable that Naval Schoolmasters should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

Schoolmasters established by the above-

mentioned Orders in Council are to be designated "Naval Instructors and Schoolmasters."

The full Pay of Naval Instructors and Schoolmasters is to be—

Upon their first entry in the Service, 7s. a day.
After Three Years' service on Full Pay, 7s. 6d.
After Seven Years, 8s. 6d.
After Ten Years, 10s.

And Five Pounds a Year for each young Gentleman who shall receive instruction from them; but the Bounty of £80 a Year heretofore allowed is to be discontinued.

The Half-Pay of Naval Instructors and Schoolmasters is to be—

After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 3s.
After Ten Years' Service on Full Pay, 4s. 6d.
After Twenty Years Service on Full Pay, 5s.

Provided always, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and

uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 8rd July, 1827.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. Croker.

All former notices on the subject of Officers

settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN THE AUSTRALIAN COLONIES.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 25 years' service and upwards, in the whole 300l.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 20 years' service and less than 25, in the whole 250l.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of less than 20 years' service, in the whole 100l.

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this Rule, and also.

Retired Officers of the East India Company's Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges in the acquisition of Crown land. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master-General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that

Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withheld for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of *South Australia*.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether Surgeons, or Assistant-Surgeons acting as Surgeons, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

MEMORANDUM.

Admiralty, 30th June, 1838.

Her Majesty has been graciously pleased, by her Order in Council of the 4th of April last, to authorize a revision of the Rules and Regulations under which Superannuations and Pensions are at present granted to Warrant Officers in pursuance of the Orders in Council of 25th November, 1816, and 24th August, 1831, and to direct that from the date of Her Majesty's Order in Council, first mentioned, the following Rules shall be observed in regard to the Superannuations and Pensions of the Gunners, Boatswains, Carpenters and Engineers of Her Majesty's Fleet, and that so much of the said Orders in Council of 1816 and 1831 as relates thereto be revoked:—viz.

1st. That in cases in which the services of Warrant Officers shall appear to the Lords Commissioners of the Admiralty to be more than ordinarily meritorious, a further sum may be allowed to the said Warrant Officers in addition to the Pension allowed by Art. 1, varying from one pound to fifteen pounds a-year, reference being had to the character of the Officer, the cause which may have rendered him unfit for service, his previous servitude as a Seaman or Petty Officer, and to any Wounds or Hurts he may have received.

3rd. That Warrant Officers who may have served as First or Second Class Petty Officers previous to obtaining a Warrant, shall be allowed in addition to the Pension to be assigned to them under the two foregoing Articles, such Pensions as they may be entitled to by the Greenwich Scale for such service as Petty Officers.

in the 2nd case, exceeding 45*l.* a-year, nor in the 3rd case, exceeding 35*l.* a-year.

5th. (1st.) That Warrant Officers who may lose one limb in action:—(2nd.) or who may receive wounds or injuries in action equal to the loss of a limb:—(3rd.) or who may receive injuries or hurts in the service, though not in action, equal to the loss of a limb, shall be allowed Pensions (as the Lords Commissioners of the Admiralty may deem proper) not exceeding in the 1st case 25*l.* a-year, nor in the 2nd case exceeding 20*l.* a-year, nor in the 3rd case exceeding 15*l.* a-year.

The Pensions for wounds and hurts to be granted after a careful survey held on the Officer at this Office, when practicable, and to be in addition to any other Pension the Officer may be entitled to.

6th. No Warrant Officer to be allowed to reckon as service towards Superannuation any period of time during which he shall not have maintained a good character in the Ship in which he has served.

By Command of their Lordships,
C. WOOD.

GREENWICH OUT-PENSIONS.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY ORDERS IN COUNCIL OF 24th AUGUST, 1831, AND 4th APRIL, 1838.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Mate, Midshipman, Master's-Assistant, Naval Instructor and Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service, on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, according to the following scale, viz.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Article 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.:—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years' Service, Twopence a day, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension, and no period of time shall be allowed during which a Seaman or Marine shall not have maintained a good character in the Ship or Division to which he belonged. All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be retaken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the

Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

On a ship being ordered to be paid off, the Captain or Commanding Officer may recommend for the Medal and Gratuity any Petty Officer or Seaman, or Non-Commissioned Officer or Private of Marines (not exceeding in number the proportion of one for every hundred of the Crew) who shall have completed 21 years' service, who shall have behaved himself invariably well in such ship, and who shall be in possession of Certificates of good conduct throughout his former service. The Gratuities to be awarded are to be according to the following scale.—15*l.* to First Class Petty Officers or Serjeants of Marines, provided they shall have served as such ten years. 7*l.* to Second Class Petty Officers or Serjeants of Marines, provided they shall have served as such seven years. 5*l.* to Able Seamen or Privates of Marines.

MEMORANDUM.

Admiralty, 4th Nov. 1831.

With reference to the 3rd Article of the Regulations for granting Pensions from Greenwich Hospital, the limitation of Twenty-one Years' Service, reckoning from the age of Twenty, shall be considered applicable only to the case of such Seamen and Marines as shall have entered the Service on or after the 1st January, 1832.

By Command of their Lordships,
GEORGE ELLIOT.

MEMORANDUM.

Admiralty, 14th July, 1837.

With reference to the 8rd Article of the Regulations for granting Pensions from Greenwich Hospital, no Marine who shall enter the Service after the 26th June, 1837, shall be allowed a Pension for length of service, except with reference to the time of his Service at Sea or abroad. Twenty-one years' Service at Sea or on Foreign Service shall entitle him, as it does a Seaman, to his discharge and Pension; two years' Service on shore in England shall be allowed to reckon as one year served afloat for this purpose; but no Marine shall be entitled to such Pension who shall not have served Ten Years actually at Sea or on Foreign Service.

By command of their Lordships,

C. WOOD.

The other restrictions specified in the said Article continue in force.

By command of their Lordships,

GEORGE ELLIOT.

By Command of their Lordships,

are to be selected from among the *Mates* who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College *Midshipmen*; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to *Mates* or *Midshipmen* forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "*Admiralty Midshipman*," except by their Lordships' special authority: but, in the event of there being more *Admiralty* or College *Midshipmen* unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as *Midshipmen* until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately* made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all *rated* Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,
GEORGE ELLIOT.

REGULATIONS AS TO THE QUALIFICATIONS AND EXAMINATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

FIRST ENGINEER.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

SECOND ENGINEERS must not be inferior in education to the First Engineers, and but little behind in mechanical acquirements, with the exception of the nice points of adjustment of slides, parallels, motions, &c.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine-work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the Third Class, if on examination they appear to have made themselves acquainted with the names and uses of

every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the outlines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the Second Class.

Boys of the Second Class, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of Third Class Engineers, they will be removed to the list of the First Class, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,

C. Wood.

MEMORANDUM.

Admiralty, 20th Dec. 1888.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1888, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his instruction, will receive a

Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the First Class who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications:—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1880.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,
J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1880.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their *Ranks after their Signatures* as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,
C. WOOD.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted: and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

- 1st Class.—Pursers.
- Masters.
- Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,

JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be respite.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,

R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Mates, in the same manner as when they were Petty Officers, under the 18th clause Act 11 Geo. IV. Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,

JOHN BARROW.

from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain. CHARLES WOOP.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the _____ day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, August 12th, 1840.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS AND SCHOOLMASTERS, ESTABLISHED BY ORDER IN COUNCIL OF THE 22nd DEC. 1836, AND 10th AUGUST, 1840.

No person will be considered eligible for the situation who is under 20 years of age or more than 35.

Before any person can hereafter receive an appointment as Schoolmaster in a Ship of the Line or Frigate, he will be required to produce a certificate of his age, and testimonials of good character, and to pass an examination as to his qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six, the eleventh and twelfth books of Euclid; their application to the measurement of Planes and Solid Bodies.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, and the various problems in Surveying, the Measurement of Heights and Distances, Navigation, and Nautical Astronomy, particularly the principles on which the various formulæ for ascertaining the longitude are constructed; and practical astronomy, so far as may be required for determining the latitude and longitude in all cases.

7th. The Classics, to such as enter with some knowledge of Latin and Greek.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, will not at first be required as indispensable qualifications, it is very desirable that Naval Schoolmasters should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

Schoolmasters established by the above-

mentioned Orders in Council are, to be designated "Naval Instructors and Schoolmasters." *The full Pay of Naval Instructors and Schoolmasters is to be—*

After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 3s.
After Ten Years' Service on Full Pay, 4s. 6d.
After Twenty Years Service on Full Pay, 5s.

But no Naval Instructor or Schoolmaster who shall retire from his employment without the approbation of the Lord's Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors and Schoolmasters.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor and Schoolmaster, he will be entitled to the Bounty of £30 a year, and £5 from each young Gentleman instructed by him, in addition to his pay as Chaplain.

The foregoing rates of Pay and Half-Pay are to commence from the 1st of July last.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. Wood.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer, and the approbation of the senior Officer present.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

By Command of their Lordships,
C. Wood.

BY THE KING. A PROCLAMATION.

WILLIAM R.

And We do farther Order, that when land forces are embarked to serve as marines, they shall share according to their respective ranks as marines.

That commanders doing the duty of first lieutenants shall share like other commanders.

That lieutenants commanding small vessels, when not in company with any captain or commander, shall share as captains.

That the clerk in charge in small vessels shall share as a purser, unless a ship or vessel bearing a purser be present, when he is to share only as clerk.

That in all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, that no flag-officer, or other person, not actually present at the capture or destruction of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, or boats; and also that no flag-officer, or other person, who shall not have been actually on board of any of Our ships, or vessels of war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war or privateers belonging to the enemy, shall be entitled to share in the distribution of any tender or bounty-money, granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he

shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive a proportion of the flag share, according to the number of capturing ships or vessels belonging to each flag respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging

to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinafore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.
GOD SAVE THE KING.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and

uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

Although members of these classes may have been admitted formerly, and under a different state of circumstances.

5. Gentlemen who have ceased to belong to Her Majesty's Service, cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale,

Note. These Regulations are not applicable to the Colony of South Australia.
